"Brave Dual" is a virtual simulation game where the player controls a 3D character with their own body. Takamachi Nanoha went to Hobby Shop in order to check the game out and immediately become fascinated by it. She dived into the player villa who burst into her game and met Forte for the first time.

And now Takamachi Nanoha's new story begins.

Me too...

I'm so happy!

Yeah!

Not to mention, you're even in our class! What a coincidence!

I can't believe you started school here the day after we met you~

I was really worried about changing schools...  
I'm so glad I met you all!
